

The Baker Street Irregulars

The 1963 BSI Dinner List of Attendees

Minutes and a list of attendees are not currently available for this BSI Dinner.

However, we do have a table seating chart handwritten by Julian Wolff, who was Commissionaire of the BSI and managed preparations for the Dinner. This chart might not reflect the final seating arrangements, and it's possible that additional people came to the Dinner or that some on the chart were unable to attend it.

Wolff's seating chart appears below on the final page of this document.

We are looking for volunteers to type up the names from this and other seating charts into Microsoft Word so the files can be computer-searchable.

After a chart is transcribed, we also need someone to cross-reference the last names from a typed seating chart with information from the BSJ report on the Dinner, as well with lists of prior attendees which include people's full names. No research is required: we'll email you the information files and you just need to match up names and copy/paste information for a more complete chart.

Before typing anything, please contact us to be sure someone is not already working on that chart. If you would like to volunteer to help, visit the [Contact Us page on the BSI Trust website](#) and send us an email.
