The Baker Street Irregulars Dinner, January 17, 2014, NY, NY*

The two lists below reflect reservations for the 2014 BSI Dinner and the seating plan prior to the event. Numbers by a name include a table and seat number ("5.2" means "Table 5, seat 2").

The photo above shows the table locations. Tables 1, 2, and 8 do not appear in the photo, but many of the people assigned to those tables appear standing along the wall at upper left. For a large photo without the labels, see the BSI Trust website page for this BSI Dinner.

Notes About These Lists

These lists show advance reservations and the assigned seating plan. Some people with reservations might not have attended. The seating plan will not exactly match what is shown in the BSI Dinner

photo. People at a number of tables stand up or move to other locations in order to fit into the picture, and some tables may not appear in the photo. Occasionally seating around a table may vary from the plan. "Floaters" did not have pre-assigned seats.

If you would like to develop a Key to People in the photo, or have any corrections or additional information, please contact us via the BSI Trust website:
